The Spa at Four Seasons Hotel Madrid was born from a great passion and deep knowledge of wellness.

With 1450m², distributed over four floors, it is the largest urban wellness center in Madrid dedicated to relaxation, rejuvenation and pleasure that brings an unbeatable level of health and well-being. Our sanctuary helps guests achieve a balanced and healthy state of mind.

At Four Seasons Hotel Madrid, we are committed to creating a culture of holistic wellness with the local community, developing a balance between physical and mental well-being while fostering nurturing and lasting connections.

Recently awarded five stars by Forbes Travel Guide, Four Seasons Hotel Madrid becomes the only hotel in Spain to hold five-star hotel and spa status.
